SPONSORSHIP OPPORTUNITIES

CSULB’s The Manifest: an at-a-glance event calendar

The Manifest, a calendar of events, is a clearing house of conferences, trade association meetings, workshops, and classes of importance to the trade and transportation industry. It is an invaluable tool for all who plan, schedule, and develop events either to secure a date or to ensure that an event is not in conflict with competing activities. It is a great tool for industry leaders to determine what programs are most appropriate to attend.
